### Overheard at the Zachary Branch...

As child receives SRC prizes...

Ms. Nancy: "... and in addition to your coupons, you get a free book to take home with you and keep forever!"

Cute Little Girl with Big Eyes: "You mean I get to keep it?"

Ms. Nancy: "Yes, you get to keep this one. Have you ever had a book before?"

Cute Little Girl with Big Eyes: "Yes, I checked it out from here last week."

Later...

Email from Foster Mother of Cute Little Girl with Big Eyes: "She had the best time reading her books and getting her prizes. She has told everyone today and showed them her new book that she is going to keep forever!"

## Storytime at the library

Storytime gives children an excellent introduction to books and the library, increases their attention spans, and develops their social skills by involving them in stories, poetry, and songs. The Children's Services staff hopes Storytime will be an enjoyable experience for each child, leading to a lifelong love of books and reading. You are always welcome to attend Storytime with your child. We offer two different Storytime formats this month. Since children develop at different rates, you may talk with one of our library staff members to place your child in a younger or older group. The fall storytime "semester" begins soon.

For more information, call your local library. Organized groups must reserve a date and time other than those listed below.
