Mondays, April 6, 13
Passport to Storytime @ 4:30PM
As part of our One Book, One Community celebrations, this month’s storytimes will feature stories and activities from around the world. Families with children 3-6 can travel the globe with us. Sessions last 30 minutes.

Wednesday, April 1, 2:30-3:00pm
Yoga Bear
Through simple yoga activities and other exercise, kids will learn calming skills to increase their focus. This program is perfect for kids bursting with energy. Suitable for ages 6-11; limit of 5 participants.

Thursday, April 9, 3:30-4:30pm
Easter Bunny Card Storycraft
After a reading of Otter Loves Easter by Sam Garton, kids will make a cute Easter Bunny card. Suitable for ages 6-11; limit of 10 participants.

The Library will be closed April 10 and April 12 in observance of Good Friday and Easter

All children under the age of 9 must be accompanied by an adult at all events
We are also happy to welcome our special needs patrons of appropriate cognitive ages (with a helper as needed) to all of our programs

Have you read to your spring blossom today?
Thursday, April 16, 3:30-4:30pm
Mapping Africa Storycraft
While reading Africa is Not a Country by Margy Burns Knight and Mark Melnicove, kids will color in each country on a printed out map as it is mentioned. Part of our One Book, One Community celebration. Suitable for ages 7-11; limit of 10 participants.

Tuesday, April 21, 3:30-4:30pm
Prince of a Frog Storycraft
After a reading of Prince of a Frog by Jackie Urbanovic, kids will make a 3D floating frog on a lily pad craft. Suitable for ages 6-11; limited to 12 participants.

Thursday, April 23, 3:30-4:30
African Animal Storycraft
After reading We All Went on a Safari: A Counting Journey Through Tanzania by Laurie Krebs, we will make hippo magnets from a foam sheet template. Part of our One Book, One Community celebration. Suitable for ages 3-6; limited to 10 participations.

All children under the age of 9 must be accompanied by an adult at all events.

We are also happy to welcome our special needs patrons of appropriate cognitive ages (with a helper as needed) to all of our programs.
