Spring Series

This spring, we invite the community to read Dashiell Hammett’s classic detective novel, *The Maltese Falcon*, first published in 1930! Along with Sam Spade, Hammett is credited with creating the ultimate private investigator.

Events correlating with One Book One Community include a visit with author Julie Smith, a discussion on the detective novel with Dr. Carl Freedman of LSU, film screenings of the classic movie starring Humphrey Bogart and other noir classics, public book discussions, and programs featuring gems, raptors and even a game of live Clue!

Check *The Source* and our web site, www.ebrpl.com, each month this spring for event details and times.

Storytime at the library

Storytime gives children an excellent introduction to books and the library, increases their attention spans, and develops their social skills by involving them in stories, poetry, and songs. The Children’s Services staff hopes Storytime will be an enjoyable experience for each child, leading to a lifelong love of books and reading. You are always welcome to attend Storytime with your child. We offer seven different Storytime formats. Since children develop at different rates, you may talk with one of our library staff members to place your child in a younger or older group.

For more information, call your local library. Organized groups must reserve a date and time other than those listed below.
