Summer Selection Announced!

The One Book One Community project is a community-wide reading program, and this summer’s selection is Crazy: A Father’s Search Through America’s Mental Madness by journalist Pete Earley.

In his non-fiction book, Earley looks at the mental health system in the United States, a mission brought on after his son is diagnosed with bipolar disorder.

Greater Baton Rouge area residents interested in participating in the program are encouraged to visit www.ReadOneBook.org.

There, participants can learn more about both the book and the author, download a discussion guide, and obtain a complete schedule of upcoming events.

You can also download and print a flyer, which, when presented with your check after dining at the Millerville Chili’s restaurant on Monday, June 6, or Wednesday, July 13, will benefit One Book One Community!
