C. OTHER REPORTS

1. MAINTENANCE AND ADDITIONAL CAPITAL PROJECTS – Kristen Edson and Bryce Tomlin (4:19 pm)
   - Over 100 work order tickets were submitted over the past month, with 28 corrected orders.
   - The Main Library’s roof terrace has been closed to the public this week for renovation; work is 90% complete; photos of the terrace were shown to the Board; more sustainable plants are being installed; a new pump was ordered for the roof top cistern.
   - Chiller issues across the library system: waiting for a fan motor at Zachary Branch, but building remains cool; phase monitor installation was completed at Bluebonnet Regional on August 10; an expansion valve, a sensor, a plenum, and the fan must be replaced on the old chiller at Jones Creek Regional.
   - Tree trimming is complete at the Main Library, along the east side of the Goodwood Blvd. parking lot.
   - System-wide fire extinguisher inspections begin tomorrow.
   - Question from Kathy Wascom regarding solar panels possibly being installed at the Main Library; Patricia Husband responded that the original plan included very lightweight panels, not the heavier standard ones, and it is believed that the lightweight ones are no longer manufactured; she continues to monitor the market for a possibility of lighter panels.
   - The water main repair project at Jones Creek Regional is still waiting on door hardware; an update indicated installation to begin in several weeks.
   - The Library is still waiting on the contract for the multi-branch chiller replacement project; the low bid has been accepted.
   - The final area of the parking lot at Outreach Services has been demolished, as part of Phase 2 of the renovation project; still waiting on concrete to be poured; staff are still utilizing the Recycled Reads area, but should be moving next week back into the workroom; it is possible a book sale will be held in September; Library Computer Services will move equipment next week for the final flooring installation in the server room.
   - Multi-branch roof replacement project is at a standstill; no update on the copula work at Jones Creek Regional; Architectural Services is waiting on submittals for all remaining work; liquidated damages are being accrued on the contractor’s payment schedule.
   - Update on the Miscellaneous repair package:
     - Pride-Chaneyville branch: waiting on light fixtures; gutter installation; crash rails and corner guard installation
     - Keying system for all locations
     - Zachary Branch: near completion; waiting on keying system
     - Delmont Gardens Branch: review of flooring and slab moisture
Carver Branch: waiting on countertop material
Fairwood Branch: demolish and install flooring.
No update for Bluebonnet Regional

- Question from Kathy Wascom regarding credit card payments at the library; Kristen Edson clarified that patrons can pay online with a credit card but not in-person; it may be possible later in the future, but would require new RFID equipment and terminals; Kathy Wascom asked what do patrons pay for at the circulation desk using cash or checks, since the library is now fine-free; Kristen Edson responded they can pay for their lost books.

- Computer Services update:
  - Library staff are finalizing the website contract to send to the selected vendor.
  - The City’s financial and payroll systems were updated; Stephen Solomon, Library Server Analyst, worked with IS to ensure the Library’s access and fixed the issue for accessing MetroNet.
  - Stephen Solomon is also working on upgrades to networking equipment to achieve higher speeds; will get a quote for professional services in support of the Library’s network equipment and assist with deployment.
  - Amanda Dial, Systems Librarian, completed tasks required by the ILS vendor to ensure the Library’s new fine-free initiative.
  - Library staff are coordinating with the vendor to add additional Wi-Fi hotspots to all Library locations.
  - Regarding a question from Kathy Wascom during last month’s meeting, only 15 hotspots, out of the original 500, have been returned damaged beyond repair; the hotspots have been circulated over 5,000 times.
  - Statistics include the following:
    - Kiosks: as of July 31, 30% of checked out items were checked out at a kiosk this year, representing 200,018 items
    - Credit Cards: as of July 31, there have been 1,111 credit card payments made this year by 1,016 patrons for a total of $17,021.46; $222.20 of this amount was convenience fees; 14.95% of all payments made have been credit card payments
