

The East Baton Rouge Parish Library will be updating its library system software beginning the morning of Tuesday, November 10 and finishing by the end of the day on Wednesday, November 11.

Patrons will be able to:

- Use public computers, printing services, and Wi-Fi
- Checkout items *with their library card*
- Access the databases listed here <http://alibcon.state.lib.la.us/>
- Return items that are checked out

Patrons will not be able to:

- Access resources that require a library card number, such as: Overdrive, Freegal, The Criterion Collection, Alexander Street Music, Screening Room, Zinio, Atomic Training, ComicsPlus, Indieflix, and FastPencil.
- Checkout items *without their library card*
- Search the catalog
- Access their account online
- Obtain a new library card
- Renew items, place holds, or make payments

Thank you for your patience and understanding. If you have any questions, please call 225-231-3750.
