---

Visited site to observe construction progress and inspect for scheduled concrete pour. The scheduled pour is for the drive furthest to the north crossing the pedestrian walk. The contractor plans on tailgating the pour and lifting the reinforcement as they proceed, brick materials are near the formwork to be placed. All form materials, reinforcement, and base appears to be in compliance with plans and specifications.

All erosion control devices were installed and in working order. Please do not hesitate to contact this office if you have any questions or concerns.

---

When asked, the contractor reported no problems.
