

HARRY POTTER

ORIGAMI HOUSE SORTER

STEP 1:

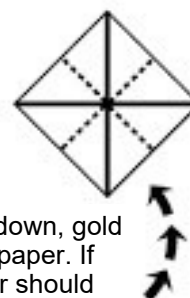

Cut around the edges of your square. Flip it over so the printed side is face down. Fold each corner to the opposite corner.

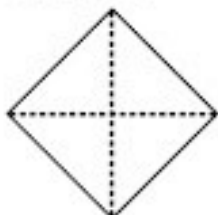

STEP 2:

With the printed side still facing down, fold each corner to the center of the paper. If things went well, then your paper should look like this:

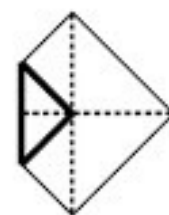

STEP 3:

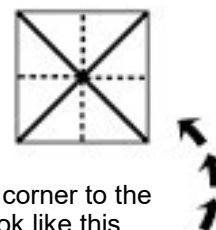

Now turn your paper over so the folds are face down.

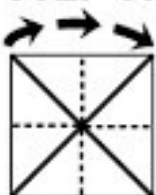

STEP 4:

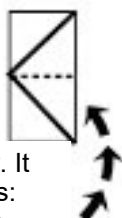

Similar to STEP 2, fold each corner to the center. Your paper should look like this now:

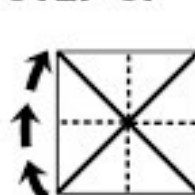

STEP 5:

Now, fold your paper vertically. It will look tall and skinny like this: Then, unfold to make it square again.

STEP 6:

Now, fold your paper horizontally. It will look like this:

SUCCESS!!

Now, it's tie to wiggle your fingers under the paper flaps and play. Ask a friend to pick one of the four pictures and then spell it out while opening and closing your fingers (one letter for each movement). Next, have them pick a word (or number) from one of the inside flaps, and then count it out while opening and closing your fingers again.
