Keep Cool with a Paper Fan

Materials:

Regular size piece of paper   Crayons   Tape

1. Color and decorate the coloring page. Color all the white space.

2. Fold paper back and forth on the dotted lines in an accordion style.

3. Bunch the accordion together and pinch the bottom of the page.

4. Wrap tape around the bottom of the fan at the pinched part. Make sure the end of the tape overlaps the beginning of the tape or your fan will unfold!

5. Gently spread the top of the fan open.
