

Cloud Dough Sculptures

SUPPLIES:

-2 cups corn starch

-1 cup lotion

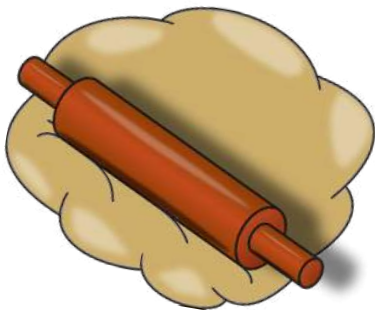

-bowl

When you look up at the clouds drifting to and fro and making wonderful shapes, do you ever wish you could get your hands on them and make them into new shapes?

Use this recipe to mix up some cloud soft dough to sculpt up your ideas!

Mix up the ingredients in the bowl and give it a try!

What will you design?

NOTE: Cloud dough mixes best with your hands, but you can use a spoon if you want! For sunset colored clouds, add food coloring!
