

Cupcake Umbrellas

SUPPLIES:

- blue paper
- cupcake liners
- scissors
- tape
- glue
- pipe cleaners
- markers

Directions:

- Fold cupcake liners in half and cut out a small hole at the center of the fold
- Cut pipe cleaners in half
- Fold pipe cleaners a small bit on one end to create the handle of the umbrellas
- Insert pipe cleaner into hole in cupcake liner
- Tape the pipe cleaner to the inside of the cupcake liner and fold the liner over (a small dot of glue can secure the other half of the cupcake liner)
- Once the pipe cleaners are firmly in place, use a small dot of glue to attach each umbrella to the construction paper
- Use your markers to add people holding the umbrellas.
- Add raindrops to the paper with the blue marker...Make it rain!
