

BRAIN TEASERS:

Pattern Codes

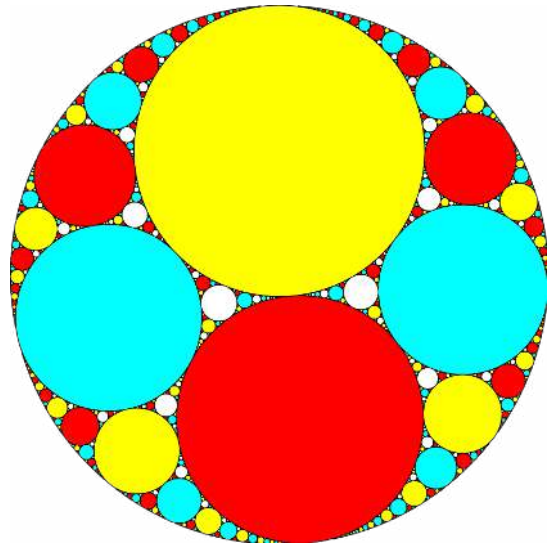

Secret codes often use patterns to hide their messages. Give your brain a workout with the following patterns.

Can you complete the patterns on the next page?

What patterns can you make...

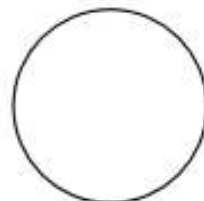

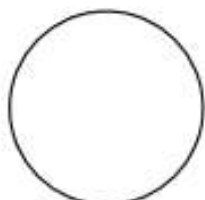

EXTRA CHALLENGE: Keep a spy eye out for patterns in your neighborhood. Can you find five?

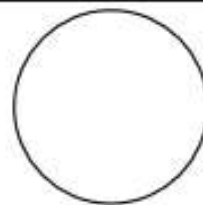

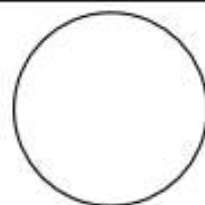

What's Missing?

Complete the pattern by drawing in the missing shape.
Use colors of your choice to create your own pattern.

1.

2.

3.

Practice skip counting by filling in the missing numbers in each row.

4.

1, 2, 3, ____, 5, 6, 7, 8, ____, 10
