

## TECHNOLOGY: Around the World with Google Maps

**One of the coolest ways to travel the world without leaving your house is to explore Google Maps!**

[www.maps.google.com](http://www.maps.google.com)

**You can pick a place and travel to it.**

**You can walk the streets of Paris or visit Australian beaches.**

**There are even some buildings that you can explore (NASA, the Coliseum, the Palace of Versailles, Everest Base Camp)!**
