Kids' Orchestra Presents Books and Music

Imagine that your favorite activity in the entire world is playing music. Then, imagine that you lose your ability to hear with your ears. Did you know that there are ways of listening through other parts of your body? Come hear the story of Evelyn Glennie, the world-famous first ever full-time percussion player. In addition to the book (*Listen* by Shannon Stocker), children will enjoy both rhythm and listening exercises, meet professional percussion players, and dance a Scottish Circassian circle dance (because Evelyn Glennie is from Scotland). **Ages 3-11.**

Storytime

Family: Tuesdays, 10:30AM

April 1, 8, 15

For preschoolers and toddlers, accompanied by an adult. Sessions usually last 25-30 minutes.

Lapsit: Tuesdays, 11:15AM

April 1, 8, 15

For babies from birth through crawling, accompanied by an adult.

Storytimes are meant to be fun and non-stressful for children. Because children's chronological ages do not always coincide with their emotional ages, older or younger children may attend with permission of library staff.

Sensory Sensitivity Time at the Library

For our sensory sensitive patrons, any unnecessary light or sound elements will be turned off in the Children's Room on the first Monday of the month from 7:00 PM to 9:00 PM. From the Children's service desk, patrons can pick up noise-blocking headphones, sunglasses, and various fidget items to use while in the library.

We are happy to welcome all patrons of appropriate cognitive ages to our Children's Services programs with a helper as needed.

All children under the age of 9 must be accompanied by an adult.

The library will be closed Thursday, April 17, for staff training and development.

The library will be closed Friday, April 18, in observance of Good Friday.

The library will be closed Sunday, April 20, in observance of Easter.
